January 14, 2016

Dear Resident & Neighbor,

This letter is to inform you that we as, Duggan Design, are planning a still photography shoot at 1621 N Ave 46. This is my childhood home, and my Mom still lives there! She has agreed to let my colleagues and I use her driveway and front porch as the location for promoting our product during our still shoot. We are a very small crew, no trucks, no generators and we should be in by 2:30pm and out of the neighborhood and off the street by 8:30pm. There will be no more than 15 crew members during the time we are in the neighborhood.

We will remain on her property while we are in the neighborhood, and will not have multiple cars parked on the street.

We are following the proper procedures to obtain permits for our project, but we wanted to inform you personally. We will strive to keep noise levels and the impact to our neighborhood as minimal as possible. Please feel free to call myself or my Producer Varsi, on this project, if you should have questions or any concerns.

You may also call FilmLA at 213.977.8600 for questions or concerns.

Sincerely,

Sean Duggan
